

# QUINTA DOS VALES

## WINE ESTATE

### DUO

**Year of harvest:**

2020

**Classification:**

IGP Algarve

**Type:**

Rosé wine

**Varieties:**

Touriga Franca & Castelão

**Soil type:**

Clay - Limestone

**Annual production:**

2.000

**Tasting:**

Light pink in colour, this young Rosé wine is very fresh but elegant in structure, with notes of red fruits and a refreshing acidity.

**Vinification:**

The grapes are harvested manually into 12 kg boxes. They are then cooled down to a temperature of 5°C and selected by hand the next day, which is followed by their destemming and pressing. The fermentation runs in stainless steel vats under a controlled temperature of 12-14°C, with a subsequent cold stabilization.

**Ageing potential:**

3-4 years

Alcohol (%/vol)	Total Acidity (g/L)	Residual Sugar (g/L)	pH
11,50	5,69	0,20	3,11
