**Tasting:**

This pink-coloured wine also presents notes of orange to the eye. A notably dry wine, in the nose with hints of magnolia and cinnamon. While in the mouth notes of forest fruits are prevalent, with a controlled acidity and an elegant and smooth finish.

**Vinification:**

The grapes are harvested manually into 12 kg boxes. They are then cooled down to a temperature of 5°C and selected by hand the next day, which is followed by their destemming and pressing. The fermentation runs in stainless steel vats under a controlled temperature of 12-14°C, with a subsequent cold stabilization.

**Ageing potential:**

3 years
